

VIRTUAL VISITS FOR 2022-2023

FULL-DAY VIRTUAL AUTHOR VISIT

3 Sessions

Cost: \$650

Tammi, a former teacher and library media specialist, loves to share her passion for reading and writing with students through her educational, entertaining, and interactive sessions.

For kindergartners and first graders, Tammi focuses on how books take people on adventures. For second and third graders, she explores finding ideas, shaping ideas into a story, and turning a story into a book. For fourth and fifth graders, she shares her top ten writing secrets which will help students create stories of their own. If, however, a writing workshop as opposed to a presentation for your older students is preferred, Tammi offers that option as well.
